Forming Project Groups

Yasser Alginahi posted on May 15, 2023 8:55 AM • Edited

Hello,

Before you fill the Google form in the link below. Decide on your project group members.

Then fill this form with the names of your group members. Only one member of the group fills the form, this should be the group leader. You will need to write your full names as you have it on your student ID, uwindsor email addresses and student IDs. Note that you will be able to edit your forms after you submit them. The project groups should be formed with 3 students. The deadline to form the groups is Monday, May 22, 2023. After the groups are formed, the project instructions will be posted and you will be assigned to your project. Soon an announcement will be posted with all these details.
